MAYKIND

Dear Mom and Dad,

We, the class of 1988, have made a decision to dedicate our yearbook to our parents. Our parents have played such a major role in our growth and development that they deserve to be thanked openly. They have provided for us, supported us, guided us, and directed us in the right paths especially through our years at Berlin High. These past four years have been crucial to our development towards adulthood, and because our parents are experienced adults, they know how to advise and lead us.

Whether it was with Band Parents, Boosters, or "Mums for Moms," our parents have shown they care by getting involved. Their attendance at concerts, games, and awards ceremonies has not gone unnoticed and we would like to say — THANKS! Even if our moms and dads just helped us with homework or picked us up from school, they took time out from their busy schedules for us. Surely there were times when we forgot to thank them or perhaps even yelled at them, but they were still there for us. Simply knowing that they are there makes the tough times go a little easier.

Since birth, each of us has undergone a great number of changes, and a large portion of these changes have occurred since we entered Berlin High as freshmen. Now, as seniors, we still have thousands of new decisions to make, and we will continue to change throughout our lives. We have all been in school for the past thirteen years, and leaving the safety of Berlin High is a big step. However, our parents will still be there to support us and aim us in the right direction. We probably cannot thank them enough for all that they have done for us, but hopefully someday we will be able to help them. Thank you, moms and dads . . . for EVERYTHING!!

CHANGES

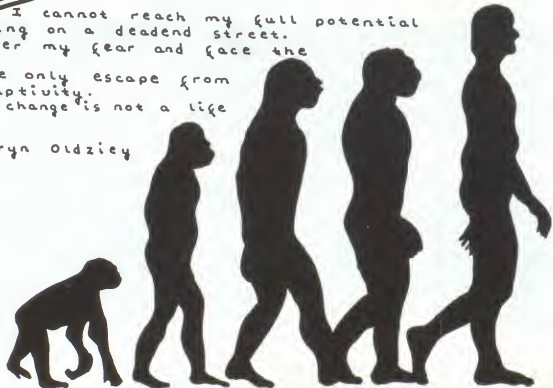

Staring at my baby picture, I am puzzled. What has become of that baby... is she still within me? I no longer know her; I have changed so much. Will my graduation picture inspire the same feelings... in ten years?

I am still the same person, with the same needs, desires, hopes. But the things I've seen, the people whose paths I've crossed - have affected me and made me who I now am. And who I am today, I will not be tomorrow.

I cannot reach my full potential standing on a deadend street. I must conquer my fear and face the unexpected. Change is the only escape from monotony's captivity. Life without change is not a life at all.

Spirit Week 1987

From Monday, September 14th to Friday, September 18th, freshmen, sophomores, juniors, and seniors alike showed great enthusiasm during Spirit Week. Each class dressed accordingly on Color Day, Cartoon Day, Theme Day, and Sports Day. The Pep Rally, one of the final activities of the week, began with the introduction of the fall sports teams. Following the introductions, the band, drill team, color guard and cheerleaders performed.

For the first time in BHS history, the freshman class received the trophy for hallway decorations. After a hard fought battle against the sophomores in the tug-of-war, the seniors emerged the victors. The class of '88 was also victorious in the pie-eating contest and spirit competitions. A huge turnout of students at the Spirit Dance, Friday night, and the varsity football team's 12-0 blowout over Foram, Saturday afternoon, were the climax of a wild and memory-filled week.

HOMECOMING 1987

The annual Homecoming football game and dance were held on October 17th. Sponsored by the Student Council, the dance was a tremendous success with over 200 couples attending. D.J. Mike Giner kept things in motion to the theme "In the Still of the Night." At the game against Stonington, the Homecoming Queen and her court were presented with flowers by Mayor Thomas Ward and members of the administration. This year's queen was Alison Hodgson who was crowned by Theresa Peck, last year's queen. The court included Tracy Bartlett as senior attendant, Michelle Morell as sophomore attendant, Kathleen Scalora as sophomore attendant, and Tammy Wright as freshman attendant.

This year the Berlin High School Redcoat Marching Band was led by Drum Majors Catherine Bobinski, Mary Jo Puglisi, and Jason DeGroff. The halftime performance was worked on and improved each Wednesday evening and performed at each game. The members continued to show their spirit by attending two competitions, placing second and third. The band's success was due to the dedication and hard work of band director Paul Karam, assistant band director Ron Campanario, Skip Vargas, and John Curren. The officers for this year's band were Sandor Dizes, president; Christine Senaldi, vice president; Joe Mancino, second vice president; Donna Heslin, treasurer; and Meg Baker, secretary. Special thanks to the Drill Team and Colour Guard for their hard work in helping make this a successful year for the band.

Drama Club

The Berlin High School Drama Club is an organization whose primary function is to perform the annual school musical. The Drama Club has done numerous musicals, and the class of '88 will remember *Oklahoma!*, *South Pacific*, *Guys & Dolls*, and this year's, *Hello, Dolly!*. Each year, approximately 15% of the students are involved in the production of the show. This includes cast, pit band, and stage crew. The shows in recent years have been great successes and have earned the group an excellent reputation in the community. Under the direction of Robert Kelly and with the excellent student involvement and community support, the Drama Club has been a smashing hit.

The 1987 Football Team

Seniors dominated this year's B.H.S. Redcoat football team with 19 senior members. They include Tyrone Aiken, Rick Barbagallo, Vin Biscoglio, Tab Borkowski, John Capodice, Marc Carosielli, John Dempsey, Jeff Dubuc, Steve Erickson, Tom Fiori, Mike Hines, Brian Mongillo, Wayne Plourde, Greg Rettich, Mike Russo, Dave Seaburg, Mike Solek, Corey Talbot, and Ted Tighe. Brian Mongillo's outstanding running game along with Marc Carosielli's excellent ability as a quarterback really gave the winning edge to the team. John Capodice performed well as a receiver and Greg Rettich had 18 unassisted tackles, which really helped our Redcoats. Impressive performances were also given by juniors Jay DeGrosso, Jay Yuskis, Scott Gentile, Steve Gentile, and Scott Wenzel.

The team had an extremely successful season with a 9-1 overall record going into the Class SS title game against Morgan High School. Unfortunately, Berlin suffered a disappointing 3-0 loss against Morgan in the championship game played at UCONN. Superb coaching by Al Pelligrinelli, Nick Pepe, Pat Phaup, Jim Day, Bob DiGicco, and Mark Buckley helped bring our players to the state championship. At each game, two different seniors were selected as captains so as to give each senior a chance to show leadership. Each team member did his part to give the Berlin High School football team one of its best seasons ever.

"A COMPLETE HOBBY SHOP"

To Scott Simard
 and
 the Class of '88

Graduation is not the end but just the beginning.
 Of another phase of lifelong learning.
 But now the decisions are yours alone,
 So your ambitions in life should be known,
 For your hopes and dreams can all be met,
 With hard work and stamina, you can bet,
 We support your choices concerning your future,
 And we'll always be proud of you — that's for sure!

KIWANIS CLUB OFFERS SCHOLARSHIPS

Since it was formed in the 1950's, the Kiwanis Club of Berlin has been proud to serve the Berlin community. Its members have raised funds and rolled up their sleeves to improve the appearance of our town — Sage Park and Deming Park are examples — , have run annual fishing parties and other events for physically and mentally handicapped children, supported senior citizen projects, and worked with other organizations for the good of the town.

The Kiwanis motto is "We Build." One of the best ways to do this, we feel, is to invest in the future of our youth. That's why this year once again we are offering scholarships to Berlin students entering their sophomore, junior or senior years in college, or who are taking graduate courses. For details on requirements and other information, please write to:

THE 1988 LAMP STAFF

The 1988 yearbook staff began in September putting together a complete memory of the past four years. None of us was too sure about just what we were getting into. But, as a group, we came together, decided on a theme and dedication, and got to work. We hope that in one way or another we have been able to capture a moment or two of everyone's high school days. WE THANK ALL OF THOSE who helped in one way or another, especially Monika Liss, Cheri Wilson, Mary Ruta, Kathy Arute, Lori D'Amore, Chis Chutkowski, Donna Heslin, Karen Chiemlewski, and Caryn Oldziej.

There is a growing awareness of the need to address the needs of older people in the community. The Department of Health (1999) has published a strategy for older people, which sets out a vision for the future of older people's health and social care. The strategy is based on the following principles: older people should be able to live independently in their own homes; older people should be able to access the services they need; and older people should be able to participate in the decisions that affect their lives.
